Dear Poomsae & Freestyle Masters, Athletes, and International Referees,

It is my sincere pleasure and honour to invite you to the 3rd edition of the International Poomsae Camp Austria – IPC Austria 2026. This is a specialized event in Europe bringing together national teams with the best well known masters, athletes, and IRs, aiming at contributing to the further development and progress of European Taekwondo Poomsae & Freestyle.

This year, we are targeting two distinct groups: Firstly, our Poomsae Camp is ideally suited to athletes from national teams who are preparing for their performances at the Poomsae World Championships 2026 in Korea this September. Secondly, we are targeting all those aspiring athletes who wish to improve further in order to reach the top in Europe. IPC Austria already has a proven track record in this regard – with numerous medals won by camp participants at major national and international Poomsae tournaments.

This event is hosted by DOJANG Wien Taekwondo and comprises a training camp and elite sports workshops for both, Recognized and Freestyle Poomsae. Our Camp is open for all levels of athletes and all grades, mainly from Europe.

The main objective of our International Poomsae Camp and the elite workshops is to elevate the Poomsae & Freestyle teams on top at the next World Poomsae Championships and to help athletes score the foremost places of the world ranking list!

Sincerely,

Peter Nestler

WT International Referee

Head of DOJANG Wien Taekwondo
